PERCENTUAL REPRESENTATION OF WOMEN IN ICT BY COUNTRY VS EU AVERAGE

In September 2024, four women from CYFRONET, IT4Innovations, VSC, and Arctur launched the Central European Chapter of Women in HPC, supporting women across the region and fostering a network for mentorship, advocacy, and collaboration. In 2025, the Slovak Academy of Sciences and DKF joined the chapter. To date, we have 70 members.

OUTREACH & NETWORKING
Events, panels, meetups

COLLABORATION
Partnerships with institutions

EDUCATION & TRAINING
Mentoring, workshops, webinars

SUCCESS STORIES
Highlight women's contributions

Join us in reshaping HPC through diversity!
We welcome partnerships, speakers, mentors, and contributors.
